

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation. I trust that you folks see the dangers, and will move to stop this action, which I see as unlawful and certainly immoral. My taxes support Sinclair's use of public airwaves free of charge, but only if Sinclair serves the public interest. This action is a far cry from "public interest". Act to allow local stations around the country choose to air or not to air this "documentary".
